Briefings

INREV offers an array of Thursday online briefings where experts share insights and answer questions on topics impacting the industry from COVID-19 to regulatory and tax issues. Stay tuned to the [INREV News](#) for upcoming briefings and past recordings.

 inrev.org/events

eLearning

INREV offers eLearning to help members broaden their knowledge from individual modules which can be followed at your own convenience to a Foundation Course incorporating a suite of modules that runs several times a year in February and October.

 inrev.org/training

INREV/Henley Certificate

INREV and Henley Business School have come together to offer the INREV/Henley Certificate in European non-listed real estate investment. Sign up, take the relevant courses and qualify with an academically recognised certification.
